

2010 LEADERS OF THE WAY ROSTER

UNITED WAY OF THE ALBERTA CAPITAL REGION

I DO NOT WORK FOR
PEOPLE. I DO NOT WORK
ON PEOPLE.
INSTEAD, I WORK
ALONGSIDE PEOPLE.

BEN HOF'S, YOUTH CAPACITY BUILDER
WITH THE FAMILY CENTRE,
IN HIS ADDRESS TO UNITED WAY SUPPORTERS
AT THE 2010 BREAKFAST OF CHAMPIONS

Leadership Roster – Message from the President & CEO

We enjoyed solid success in 2010. And the best part is that it was shared - achieved through support and dedication of community members who took the additional step to play key roles in the process.

Your decision to contribute at the Leadership level shows your dedication to building a stronger community for all of us.

Each and every contribution of time and funding was not only appreciated, it truly mattered. It mattered to community members who didn't have a home, to family members who couldn't put enough food on the table, to seniors who were struggling to maintain their independence, to youth who needed positive role models, to children who didn't have school supplies, and to the great many others who were affected by the significant challenges that life can put in front of any one of us.

As we look to celebrating our 70th Anniversary in 2011, we look forward to another successful campaign. Thank you for your support and leadership. It has helped create opportunities and possibility for your fellow community members.

Anne Smith
President and CEO

“UNITE. SUCH A SIMPLE BUT POWERFUL
WORD. **UNITE.** THE ACTION OF JOINING
TOGETHER. THE POWERFUL NOTION OF
COLLECTIVE **STRENGTH** – A POWERFUL
MOVEMENT FOR CHANGE. AND AT THE CORE
OF THIS MOVEMENT IS **UNITED WAY.**”

THE HONOURABLE A. ANNE MCLELLAN,
2010 CAMPAIGN CHAIR, CAMPAIGN KICK-OFF ADDRESS

United Way is at the core of a movement – A movement inspired by a genuine passion for social change.

It's a movement powered by people – just like you – willing to share their time, talent and resources in favour of the common good.

AND IT'S A MOVEMENT THAT IS IMPROVING INDIVIDUAL LIVES EVERY SINGLE DAY.

 - Denotes members of the Red Feather Society for recognition of 25+ years of United Way support.

Leaving a Legacy for Tomorrow

Every generation has stories of individuals who saw beyond today – men and women with vision. Collectively, these visions have helped shape what we are today, and what we will be for the future – a vision of a strong, caring and vibrant community – a community where we support those who are most vulnerable.

A legacy gift to United Way is a sensible and easy way to invest in your community. There are many ways you can give to United Way that will help strengthen our community and make it a better place to work, live and raise our families; ways that need not jeopardize your economic well-being or that of your heirs. It acknowledges that you have made a conscious decision to build for tomorrow – for your children and your community.

Bequests

You may find it possible to do more for others than you thought possible by naming United Way in your Will. A gift made through a bequest does not need to be large to play an important role in the help United Way provides for the community.

Below, we honour caring people who during their lifetime contributed to family, friends and community. We are privileged to acknowledge their gift made to United Way through a bequest in their Will.
