

Never doubt that a **small group** of thoughtful, committed citizens can **change** the **world**

Indeed, it's the only thing that ever has. Margaret Mead

Thank you **A B C Company** for your donation of **\$15,000**

Thanks to your participation and caring

Children and Youth have opportunities to learn, grow and succeed:

- More than 400,000 hot and nutritious lunches are served in Edmonton schools each year, providing students the opportunity to better focus on learning
- Youth are provided with meaningful and focused activities to help them become positive and contributing citizens
- More than 750 students continue to enhance their personal skills and strengths thanks to hundreds of positive volunteer adult mentors from our community

Families are given opportunities to live with stability and independence:

- Nearly 1,000 people who were without homes have received permanent housing in safe and supportive environments. The number of people helped and housed continues to grow
- Vulnerable families receive support through; parenting education, counseling and referral services and early childhood development support

Neighborhoods are offered the support they need to improve:

- Residents have the opportunity to create safe and vibrant communities thanks to the support from Neighbourhood Empowerment Teams (NET)
- Individuals and families across the Alberta Capital Region are provided easy access to the support they need through the 211 Information and Referral line available in Edmonton, Strathcona County, Parkland County and Leduc.
